	Present: Clirs Neil Davies, David Legge, James Leonard, Denis Payne, Ex-officio: Clirs Edd Stonham (Chair of Committee), Yvonne Murray (Vice Chair of Committee). Clerk for the meeting: Theresa King (RFO) 2 vacancies To Receive Apologies for Absence None MEMBERS DECLARATIONS OF INTEREST (for items on the agenda) None declared for items on this agenda. PUBLIC PARTICIPATION No members of the public present. APPROVE MINUTES OF MEETING HELD 4th December 2023 (Appx 1) Minutes of the meeting of 4th December 2023: Under item 046.1, Declarations of Interests, Clir Payne noted that his spouse is not a "paid employee" of HI Friends, but a "contracted member of staff". RFO to amend minutes. Proposed Clir Murray, seconded Clir Davies, all in favour to accept minutes with modification. Clir Legge entered meeting. MATTERS ARISING Agenda List after meeting 041223 circulated (Appx 2). Report noted, RFO noted that deadlines for completion of actions had been moved to allow precept setting to take priority. To receive, Review and Accept RFO's Report (Appx 3), Report noted. RFO highlighted interest received on money transferred to online savings account with Unity Trust. Clir Davies observed that consideration should be made of investing other monies while rates are high, RFO to review and feedback at next meeting. As part of implementation of transparency code, to receive and agree report of spend over £500 (Appx 4) Amendment required to remove sole trader reference for Tree Officer Consultancy. With amendment, proposed Clir Payne, seconded Clir Murray, all in favour to approve report. RESERVES POLICY To finalise policy and process for setting up of reserves (Appx 5) Revised policy includes updated terms in relation to account system, and references to the use of Section 106 reserves. Clir Leonard queried whether the policy should include a reference to now any grant monies received would be handled, Clir Payne commented that the policy would be dute for review in September as part of the annual policy review, that

	RFO noted income higher than expected at this point in the year due to extra bank interest and burial fee income, and expenditure for most committees below budget. Report noted by all.	
064.2	To review current reserves and funds in line with new process including Section 106 funds and Specified Reserves (Appx 7) The following were discussed: 3020 Community Services, 3030 Community Space Reserve Fund and 3040 Public Open Space Reserve Fund: Cllr Payne suggested these were no longer required, and monies should be moved to General Reserves. Notes should be made to indicate decision on accounts system. 3240 Land Fund: Some monies appear to be monies which would now be considered as Section 106 funds. The Wayleave items needs further investigation, as to whether it is a Histon earmarked amount for work at the Village Green and cannot be used on other projects. RFO to investigate and report to next meeting. 3650 Drainage: for future work on drainage ditches at Recreation Ground. Consider in 3 year plans. Cllr Leonard requested it would be helpful for future reserves report to have separate totals for Section 106 and other reserves. Proposed Cllr Payne, seconded Cllr Murray, all in favour to make suggested changes. A question was raised as to whether Section106 funds had been offered to Impington for	RFO
	Darwin Green. RFO to investigate.	RFO
064.3	To agree to create a new Reserve and transfer from General Reserves for following agreed spends which are awaiting invoicing: Local Highways Initiative Scheme, additional funding for double yellow lines. agreed 22-23, £4,000.00; Additional money for LHI 21-22 £5,800.00; Permanent Implementation of Traffic Regulation Order at The Green, agreed 22-23 £2,000.00. RFO noted that in line with new reserve policy, item 64.3 would no longer require a new budget to be created, but that the funds should be moved into the 3260 22-23 LHI scheme reserve.	
	Proposed Cllr Murray, seconded Cllr Legge, all in favour.	
064.4	To agree to rename the Reserve LHI 23-24 to LHI 24-25 and transfer £20K to reserve from General Reserves as agreed by FC in November	
	Proposed Cllr Davies, seconded Cllr Legge, all in favour.	
F23/065 065.1	 To set recommended Precept Request 2024-25 for Full Council meeting 15th January 2024, including review of capital budgets and three-year plans. Request to be with SCDC by 31st January 2024. Information displayed on projector screen. Discussion followed, covering: Current operational budgets would be equal to a 1% increase in precept Reserve top ups and first year of three-year budgets create a requirement for a large increase in precept if all accepted Suggestion to raise by 5%, 1% to cover the operational increase and 4% for capital spend, investment in community. Committee budgets and three-year plans will need to be reviewed to fit in with this suggested increase, feedback to committees once amount agreed at Full Council. Cllr Leonard questioned how much reserves were being used, were they being used for operational items? Cllr Stonham outlined that the operational budgets were being increased to reflect areas where spend was known to be needed so that reserves did not have to be used. Cllr Murray highlighted backlog of health and safety and maintenance needs being addressed, affecting spending. Cllr Stonham highlighted that a higher increase could be requested in future years if residents could see projects were there to back up the request. 	

Proposed Cllr Davies, seconded Cllr Legge, all in favour to agree 5% increase to precept for 2024-2025, equalling £435,828.48, making the figure £129.43 per annum on a Band D property (an increase of £6.16). To review pause on spending and consider continuing to end of financial year, in order to enable council to focus on recruitment Information on spend between September and December 2023 included in RFO report. Committee felt that any new projects should be added onto the 3 year plans. Proposed Cllr Davies, seconded Cllr Murray, all in favour to continue pause on spend on new projects until and of financial year.

Reserve Spend

Reserves reduced from £524,766.38 to £431,903.63 after transfers to General Reserves and spend of £74,134.29, the latter being mainly from Section 106 funds.

The General Reserve Fund at the end of 22-23 was £443,327.76. At the end of 23-24 it was £498,680.88, increasing by £55,353.12, Part of this increase are the returned reserve funds of £35,528.47.

006.2 End of year Committee Budget vs Spend

No budgets have been entered into Scribe for Reserve Spends or General Reserve spend, which RFO plans to change for 24-25. Highlights from the report below.

Income:

income.	
4010 Interest	Nearly triple the figure budgeted for, rates
	increased during the year and new savings
	account aided increase
4220 Burial Ground fees	Higher than budgeted for due to non-resident
	fees during the year
4600 Club Receipts	Figures lower than expected.
4610 Ground Takings cricket	Not as many external match bookings taken.
4650 Sports Court fees – football	Usage continues to be good for football.
4660 Sports Court Fees – netball	Increased as new youth team started this year
·	and local facilities continue to be limited.

4670 Sports Court fees – Tennis	Very limited public usage, main booking is
	coaching sessions.

Expenditure:

Expenditure:	
5060 Insurance	Increased premium for main insurance to reflect increase in fidelity cover as suggested by internal auditor
5070 Legal Fees	More legal advice requested during the year and first year of HR retainer
5090 Newsletter	Reflects changing from Hisimp News to Highlights
5110 Subscriptions	In budget, had not included CAPALC affiliation fee, or PPL/PRS.
5590 Piaggio fuel and maintenance	Reduced use of the Piaggio due to changes in staffing levels.
5620 Village Green	Work on area at crossing increased spend.
7000 Rec Contractor work	This reflects the extra contractors taken on to cover staffing level reductions.
7070 12 New Road Maintenance	Includes survey of building and repairs to heating system
7080 Pavilion Maintenance	Various items of building are showing signs of age. Includes spend on windows, doors, public toilets, heating systems.
7102 Rec Utilities Electricity	Current contract runs out February 2025, the fixed rate for three years has been beneficial in keeping costs low.
9000 General Reserve Spend	Not all agreed spend has taken place in 2023- 2024, this must be considered when looking at capital spend in 24-25.

Nature and Biodiversity Committee Meeting 29 April 2024- Item 006.2

Proposed decision on Project P12/Nature Recovery Plan:

i) To agree in principle to using up to £1,000 of the 2024/2025 funding allocation for Project P12 to cover an extension of the consultancy project in order to complete development of a Nature Recovery Plan, and delegation to Chair and Vice Chair of the committee, working with the RFO, to decide to proceed.

Background and rationale

In the Neighbourhood Plan, HIPC commits to Project 12 to:

Work with residents to identify and catalogue the biodiversity within the community and to identify options, through community actions and influencing development proposals (including the Village Design Guide), to enrich species diversity and population levels.

At its meeting in March 2022, the Nature and Biodiversity Committee agreed to commission an internship or consultancy project to collate and map existing data and identify gaps, and to present findings at a workshop once this work was completed. The first call did not result in any responses, but a second call resulted in an expression of interest from a qualified resident who was contracted in March 2024 to complete this project and is making good progress in the data gathering stage. Their contract includes the following actions:

- Download and examine the status of HIPC data in Cambridgeshire and Peterborough Environmental Records Centre (CPERC) database compared to what we know/suspect exists
- Work with Histon and Impington Green Spaces and other village groups and residents to identify other sources of data and facilitate uploading of this data into the CPERC and/or other database Identify the best platform to use for collation of records and ongoing monitoring
- 3. Produce a set of maps and spreadsheets identifying species/habitats from collated data
- 4. Attend a PC meeting or workshop to demonstrate and explain the findings.

This consultancy has been funded through a small spend in 2023/24 of £270 and a larger budgeted spend of £930 in 2024/5. This will leave £1,070 in the 2024/5 budget line for P12.

In parallel with this work, Histon and impington Green Spaces (HIGS) are undertaking a project to help with gathering data on biodiversity in the Parish and to identify community priorities for further protecting and enhancing biodiversity. More detail on their work can be found here.

Reason for request to spend

The next stage of this project is using all of the input from HIGS and the consultant's work to develop a Nature Recovery Plan for the Council, using the South Cambridgeshire District Council toolkit, here .We hope to continue doing this in collaboration with HIGS.

Depending on resources available when we reach this point, extending the contract for the consultant for a further stage of this project might be a beneficial option, to help with:

- Collating ideas from the HIPC workshop and from HIGS on community priorities for the village
- Seeking further input through targeted stakeholder consultations (e.g. with farmers and other landowners)
- Establishing a set of priority actions to include in the Nature Recovery project
- Establishing plans for maintenance and monitoring.

Extending the contract would depend on the objectives in the first contract being satisfactorily met and considering what volunteer resource is available to lead the process to develop and complete the plan. Whilst it might be possible to bring this back to the next committee meeting in July, the rate of progress and the fact that the existing contract ends in June means that it would be very useful to make the decision before this so there is no delay should we decide to extend the contract. Therefore the Committee is asked to agree in principle to using up to £1,000 of the 2024/2025 funding allocation for Project P12 to cover an extension of the consultancy project in order to complete development of a Nature Recovery Plan, and delegation to Chair and Vice Chair of the committee, working with the RFO, to decide to proceed.

HISTON & IMPINGTON PARISH COUNCIL

REPORT TO:	Finance, Governance & Legal	21 September 2023
AUTHOR/S:	Denis Payne	

Website - https://hisimp-pc.gov.uk/

Background

Council took the decision to replace our old website (http://www.hisimp.net/wp/) because we needed to keep it up to date with changing requirements on accessibility etc.

Assumption

At no time was the detail, nor the functionality, of what the new site would look like specified.

It was **assumed** that functionality would match / exceed the old site; and whilst content would be reviewed, much would be carried over.

Where we are

There are a number of areas of functionality that we are missing, for example (these are probably the most relevant):

- No automatic posting to FB, Twitter of news which means that this has to be done twice
- The availability calenders (! spelling) for Rec facilities aren't available

And there's content that's missing, again, for example:

- About us
- A description of what the committees do
- Gallery (that's under "Contact Us" which is a little unusual)
- Links to:
 - Neighbourhood Plan (and probably also ought to include Village Design Guide)
 - Village sites (where do people start when they want to find out about a village? If it's us, then we need to link out ...)
 - o Partner sites (SCDC, CCC, Police etc)
- How do I? There's stuff here that isn't particularly obvious / easy (or even possible) to find elsewhere; often gets asked on FB; and has a link to at least one of the services that we fund. We need to link to all of the services we fund.

And we have a decision about how long we continue to fund the old website (and the old email addresses).

Recommendations

We need to:

- Do things once
- For those who are able to use our website, make information available so that calls/visits to the office aren't necessary
- Explain who we are, how we work
- Be a beacon/entry point for the village (nowhere else is...)
- Promote the services to the community that we fund (fairly pointless if we don't...)
- Share how to do essential things, find useful information

So:

- 1. The Office team now take the lead in taking the site forward, resolving the technical issues etc; calling on Councillor input for support and advice as required
- 2. The automatic posting of news items to our Facebook page is implemented as a priority
- 3. Availability calendars (spelling corrected) ditto. These may be replaced by some form of automated booking system (which would need to be linked in) but may not we need them available now
- 4. The missing content is added to the site by the end of October 2023.
- 5. We plan on backing up, and then shutting down, the old site at the end of this Council (ie 2026). All email addresses to be updated by end of this municipal year.
- 6. We undertake a further review of the site in March 2024
